President  
National Competition Council  
Level 21

MELBOURNE VIC 3001

Dear Mr Crawford

I refer to the letter of 14 March 2012 from Mr John Feil, Executive Director of the National Competition Council (NCC), advising of the NCC's recommendations regarding applications by the Board of Airline Representatives of Australia Inc for the declaration of the services provided by the Caltex pipeline and the jet fuel storage and pipeline network servicing Sydney Airport.

Following consideration of the evidence presented and the findings in the NCC's recommendations, I have decided not to declare those services.

A copy of my statement of reasons for my decision is attached for your information.

I would appreciate you making this decision and statement of reasons publicly available as soon as possible. I would also like to take this opportunity to thank you and the other members of the NCC for the efforts made to assist me with my decision.

Yours sincerely
