Dear Mr Crawford

I refer to the Council's letter dated 8 September 2009 recommending that the Premier, as the designated Minister, revoke the declaration made in *Re Services Sydney Pty Ltd* [2005] ACompT 7.

I note the Council's advice that it had fully considered the recommendation to revoke the declaration as part of its assessment of the NSW Government's application for certification of the NSW water industry access regime, that there has been an appropriate opportunity for parties potentially affected by revocation to raise any concerns, and that no further inquiry is required.

I am writing to confirm that, with the Council's advice and having regard to the objects of Part IIIA of the *Trade Practices Act 1974* (Cth), the Premier has today revoked the declaration in accordance with section 44J of the Act. A copy of the instrument of revocation is enclosed.

I note that, pursuant to section 44J(4) of the Act, the designated Minister must publish the decision to revoke. I would be grateful, therefore, if you could please arrange for the enclosed instrument to be published on the Council's website.

Should you have any questions in relation to this matter, the Departmental contact officer is Mr Paul Miller, Senior Principal Legal officer (9228 5543).

Yours sincerely

Leigh Sanderson  
Deputy Director General (General Counsel)
