

National Competition Council

Organisational Structure

1. The Council changed its approach to the provision of secretariat services as of 1 July 2014. Under the new arrangements the Australian Competition and Consumer Commission (ACCC) provides secretariat services to the Council, including advice and support in relation to NCC recommendations, decisions and reports, and administrative services. The Memorandum of Understanding between the NCC and ACCC provides that an appropriately qualified officer from the ACCC will be designated as Executive Director of the NCC.
