Dear Creina

GLNG no coverage application for the CRWP loop

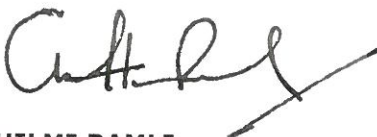

Thank you for providing the no coverage application for the CRWP loop pipeline to be constructed for the Santos GLNG Project.

Having reviewed the no coverage application, PAPL (Downstream) Pty Limited grants GLNG Operations Pty Ltd ("**GLNG**") permission for it to be submitted to the National Competition Council for consideration and appoints GLNG to act, and to receive and respond to all correspondence, on its behalf in relation to this application.

Accordingly and as a "service provider" under the National Gas Law, we wish to have the benefit of any no coverage declaration made by the Minister as a result of the application.

Please contact Rohan Slater, Head of Legal, on telephone number 07 3238 8010 if you require any further information or assistance in this matter.

Yours sincerely

HILMI RAMLI
CHIEF EXECUTIVE OFFICER
