Dear John

### Application for a no coverage determination

Please find **enclosed** an application by GLNG Operations Pty Ltd ("**GLNG**") for a 15 year no coverage determination under section 151 of the *National Gas Law*, supporting documents and a cheque for the associated application fee.

The application relates to the pipeline that will be constructed as part of the Santos GLNG Project, which also includes the development and operation of gas fields in the Surat and Bowen basins of Queensland and the development and operation of a liquefied natural gas facility at Curtis Island, Queensland. The pipeline connects the gas fields with the liquefied natural gas facility and is, therefore, an integral component of the Santos GLNG Project. A further description of the pipeline and the Santos GLNG Project is included in section 2 of the application.

GLNG submits this application as the operator of the pipeline on behalf of Santos GLNG Pty Ltd, PAPL (Downstream) Pty Limited, KGLNG Liquefaction Pty Ltd and Total GLNG Australia, which are the "Participants" in the Santos GLNG Project. The consent of each Participant is included in Annexure 1 of the application.

The application includes information confidential to the Santos GLNG Project. We have provided both a confidential version, which includes the confidential information, and a public version that may be published on your website from which the confidential information has been redacted. We would appreciate your cooperation in ensuring that the relevant information remains confidential.

For further information regarding this application please contact Creina Stone on (07) 3838 3816 or [creina.stone@glng.com](mailto:creina.stone@glng.com).

Yours faithfully
